Notice of Annual Meeting of West Michigan Concert Winds

The West Michigan Concert Winds, a nonprofit corporation organized under Michigan law, will hold its annual meeting of members at 7 PM on April 11, 2024 at the MCC band room (at the beginning of the rehearsal scheduled on that date.). The purpose of the meeting is to elect candidates to fill vacancies on the Board of Directors of the Winds. There is currently only one vacancy on the board, that of a person to fill the treasurer position. A candidate who has volunteered to serve in that position and on the board is Steve Westfield, who has been approved by the Board.

The Board thanks departing members Richard Rothe and Dave Lintula for their service.
