

HELP US MAKE MUSIC AT MCC

“The completion of the Large Ensemble Room will truly complete the music building project which began about six years ago. It will allow space for larger groups to rehearse, compete, meet, and perform. This space will be a treasure for the MCC community and the greater West Michigan Community as a whole.”

– Daniel M. Meyers, *Director of Music*

Benefits of the MCC Large Ensemble Room include...

- Additional rehearsal space for MCC Music Ensembles, allowing for more rehearsals at any given time
- Additional rehearsal spaces for MCC community music partners, West Michigan Concert Winds, and Shoreline Community Orchestra
- Opportunity to partner with K-12 Music Programs in the area, West Michigan Symphony, Debut Strings, Broadway Bootcamp, Northern Lights Drum and Bugle Corps
- Capability to host West Michigan Bands, Choirs, and Orchestras Festivals, as the current space does not meet the requirements
- The room can function as the second largest conference room for MCC and the community
- The space can also host large banquet functions and events, such as dinner theater and open houses
- An additional performance venue for music and art groups, apart from Overbrook Theater
- Host Collegiate Music Events with state colleges/universities
- Establishment of a renovated and state-of-the-art Music Facility, setting MCC as a standard for facilities in the state of Michigan
