Your tour costs are based upon 52 total passengers. Should your number of total passengers change, this pricing is no longer valid and we will need to recalculate your tour costs.

Your tour is priced in **US Dollars**. A final currency conversion will be quoted prior to and applied to your final payment. A fixed price can be arranged, however a margin would need to be negotiated to negate any potential negative currency fluctuation.

Taking Your Travel Beyond Expectations:

Cancellation Protection. We strongly suggest your participants purchase trip cancellation insurance which includes the Cancel for any Reason Benefit** (this covers 75% of the non-refundable trip cost and cancellation must be received in writing 72 hours prior to departure). This protection can be added when individuals in your group register for the trip. Pricing is based upon the per person package cost of your trip.

Your tour is priced in US Dollars. A final currency conversion will be quoted prior to and applied to your final payment. A fixed exchange can be arranged, however a margin would need to be negotiated to negate any potential negative currency fluctuation.

*Pricing is subject to availability and may increase until time of booking. The price is subject to change based on your final number of paying participants. In the event your performance or workshop is on a travel day, USDOT laws may require additional local charter services which will raise your package price. This is determined when we receive your confirmed performance time(s). In the event of rising fuel costs, it may be necessary to add additional fuel surcharges to the cost of the motorcoach or airline charter.

**Cancel for any Reason Benefit is not available to residents of the State of New York.

Please contact us if you have questions about our quote and how it may compare to other offers you may be considering. We are happy to help you do a side-by-side comparison to make sure you get the very best experience for your group.
